Al-Nusra Front – Statement No. 61

Al-Nusra Front: Some Military Operations in the honourable city of Aleppo and its Environs (3)

Praise be to Allah, the helper of the believers and the foe of the disbelievers and peace and blessings be upon the seal of the prophets – the merciful prophet and the warrior prophet – Muhammad and upon his family and all of his companions and after:

The anti-aircraft division of the al-Nusra Front managed to repulse a number of aircraft belonging to the taghut regime in the city of Aleppo and its environs and this is a report compiling some of them:

A helicopter and a MiG jet were damaged by .23 caliber machine gun fire.
Targeting an aircraft and damaging it during an ambush against an aviation site in the al-Maysar district.
Targeting two helicopters while they were hovering in the skies over the Sayf al-Dawla district, which resulted in damaging one of them and caused the other one to make a force landing in the so-called "al-Assad" academy.

And Allah has control over all affairs, but most people do not know
